

SPONSOR-A-CHILD PROGRAM

THE NEW HORIZON SPECIAL SCHOOL
ACCRA, GHANA, WEST AFRICA

Every child, handicapped or not, has the right to develop to their fullest capabilities.
“Don’t leave me behind!”

WHO ARE WE?

We were founded in 1972 by Mrs. Salome Francois, of blessed memory.

Salome's eldest daughter Helen had faced medical complications as a two-year old, resulting in intellectual disability.

“So that through Helen, other children like her too may benefit.”

WHAT DO WE DO?

The New Horizon Special School provides day school education, vocational training, and employment for Persons with Intellectual Disabilities and Autism, from ages 4 to 70 and beyond.

Our mission is to develop each student's potential to the fullest, so that they can lead productive and satisfying lives.

▶ THE PROGRAM

Salome Francois started the Sponsor-a-Child program in the 1990's, so that families with financial constraints could afford to send their special wards to school. Over the years, the program built a strong network of sponsors.

COVID

Then Covid hit us in 2020. Things were hard for everyone. Many of our sponsors could no longer support the children.

Today, we have almost fifty (50) students who are at home, unable to afford to attend school.

CAN YOU HELP US?

To meet the needs of these students, we are relaunching the Sponsor-A-Child program.

We are inviting you to be a changemaker in the lives of our absent students.

We are asking you to consider sponsoring one or more of these students!

COST

The total cost of sponsoring one child is USD 2,000 per year. This covers:

- Registration & Tuition
- One hot meal a day
- Physiotherapy
- Speech Therapy
- Transportation
- Sports Excursions
